

## **Millcreek Township Trustees**

### **Emergency Meeting Minutes**

**August 14, 2010**

The Millcreek Township Trustees of Union County, Ohio convened in emergency session from 10:50 a.m. until 10:55 a.m. in the Millcreek Township Community Building. Mr. Lynch called the meeting to order with the following members and visitors present:

**MEMBERS:** Bill Lynch, Bill Jordan.

**VISITORS:** None

#### **Emergency Session**

Mr. Lynch clarified that the emergency meeting was convened to review storm damage to Watkins Cemetery trees and the cost estimate to clean up the trees. Mr. Lynch noted that three large trees were damaged by the severe thunderstorm. He also noted that the estimate of \$3,400 from Fisher Tree Service includes removal of the large dying oak along Cemetery Drive as well as a nearly dead cedar tree located alongside the storm damaged trees. The estimate also included removal of all debris and grinding of stumps below ground level.

- **Resolution #900:** motion by Mr. Lynch to have Fisher Tree Service remove five dying or damaged trees in the Township's Watkins Cemetery at a cost of \$3,400.00, seconded by Mr. Jordan.
- Roll call: Mr. Jordan yes, Mr. Lynch yes.
- **Resolution #901:** motion by Mr. Lynch to adjourn, seconded by Mr. Jordan.
- Motion unanimously passed.
