

**Millcreek Township Trustees
Special Session
September 7, 2016**

The Millcreek Township Trustees of Union County, Ohio convened in special session in a joint session with the Millcreek Township Zoning Commission from 7:00 p.m. until 9:00 p.m. at the Millcreek Township Community Building for

MEMBERS: Mr. Lynch, Mr. Conroy, Mr. Jordan, and Mrs. Beaver.

ATTENDEES: Jim Lawrenz, Tim Belmonte, Joni Orders, Eryn Staats, Kevin Bryant, and Jamie Greene/Kyle May from Planning Next.

Mr. Conroy led the discussion for the kickoff meeting for updating the Millcreek Township Land Use Growth Plan. We are not starting from a blank slate but building upon the original plan which was updated once before. Upon completion of this update, the previous documents will be incorporated into one document. . Transparency is important during the process of updating the plan and residents will have opportunities to weigh in.

Mr. Greene and Mr. May initiated a discussion to identify the dynamics of the township – strengths, weakness, opportunities, and threats. The information will be used to draft goals for the plan and focus on the Township’s priorities. Two key goals kept emerging from the discussion – one to maintain the rural atmosphere of the township and if growth occurred it should be economically sustainable. Attendees stressed the land use growth plan is a guide for future growth and should be easy to use.
